mofiria Corporation will participate
Tokyo International Industry Exhibition 2011 (Oct.26–Oct.28)

mofiria Corporation will participate Tokyo International Industry Exhibition, held at Tokyo Big Sight on October 26 to 28.

We have planned to exhibit our products lineup, panels, case example introductions, demonstration of practical use of our products in various scenes, and a small seminar held by our CEO. Through these exhibits, we are hoping for people to understand how mofiria technology is user-friendly and applicable to our everyday life.

We will be looking forward to see you at mofiria booth.
